

10 Faces of Ho Chi Minh City

Join us on 10/10 to pray for the 10 million people of Ho Chi Minh City, Vietnam where every 10 minutes of every day a lost person dies and goes to Hell.

With ten million in population, the number is so large that it's mind-boggling. Many of us cannot even hold a number that big in our mind. Within that ten million however, scarcely **2%** has found the hope and joy of salvation in Jesus Christ. If you do the math based on the average mortality rate in Vietnam, every ten minutes a lost person dies in Ho Chi Minh City and goes to Hell. It may be hard to wrap our head around 10 million, but we can all understand 'every 10 minutes'.

10 million. Every 10 minutes.

Join us this week for our 10/10 emphasis and pray with us for the 10 Faces of Ho Chi Minh City, *the Buddhist, the Catholic, the Chinese, the Factory Worker, Families, the Restaurant Worker, the Street Vendor, the Student, the Xe Om Driver, and the Young Professional* as they represent the ten million of this city. Stay connected for ongoing prayer requests and information about God's work in Ho Chi Minh City by following www.reachingvietnam.com.

*The Lord does not delay His promise, as some understand delay, but is patient with you, not wanting any to perish, but all to come to repentance.
2 Peter 3:9 (HCSB)*

Ten million people live in Ho Chi Minh City, Vietnam.
God knows every person, every face.
He knows them and wants them to repent and turn to Him.
